

HATFIELD ARCHAEOLOGICAL SERVICES, LLC

VIRGINIA L. HATFIELD

3207 29th ST,
Lubbock, TX 79410

Phone: 806.438.2361
Email: Virginia@HatfieldArch.com

Professional Preparation:

Ph.D. 2006 May University of Kansas, Lawrence, Kansas. Department of Anthropology (Archaeology)
M.A. 2001 May University of Kansas, Lawrence, Department of Anthropology (Archaeology)
B.A. 1993 May Texas Tech University, Lubbock, Texas, Magna Cum Laude. (History)

Grants, Associations, and Positions:

National Science Foundation grant (\$1,771,456.00) awarded in 2013 for "Collaborative Research: Geological Hazards, Climate Change, and Human/Ecosystems Resilience in the Islands of the Four Mountains, Alaska" for archaeological research in the Islands of the Four Mountains, Aleutian Islands; awarded to Dixie West (University of Kansas) and Virginia Hatfield (University of Kansas), in conjunction with Kirsten Nicolaysen (Whitman College, Washington) and Breanyn McInnes (Central Washington University).

Committee member on Roberta Gordaoff MA committee, University of Alaska, Anchorage, Department of Anthropology
Adjunct faculty, Biodiversity Institute, Museum of Natural History, University of Kansas
Adjunct faculty, Department of Sociology, Anthropology, and Social Work, Texas Tech University

Texas Archeological Society (TAS), member and director of Region 2
Register of Professional Archaeologists (RPA)
Society for American Archaeologists (SAA)
Council of Texas Archeologists (CTA)
Plains Anthropological Society (PAS)
Alaska Anthropological Association (AAA)

Arizona State University, Office Cultural Resource Management, Anthropological Field Studies Number 42, Phoenix, Arizona.

Presentations

- 2014 Hatfield, Virginia, Dixie West, and Kale Bruner. *Unalaska within Aleutian prehistory*. Presented at the Museum of the Aleutians, in Unalaska AK. On July 25, 2014.
- 2014 West, Dixie, Virginia Hatfield, Kirsten Nicolaysen, and Breayn McInnes. *Interdisciplinary Research: The Islands of the Four Mountains*. Presented at the Museum of the Aleutians in Unalaska, Ak on March 24, 2014 and to the Alaska Volcano Observatory in Anchorage, Ak on March 31, 2014.
- 2013 Nicolaysen, Kirsten, Kelly McConville, Chase Martin, Virginia Hatfield, Christopher J Nye, Dixie L West. *Have Explosive Volcanic Eruptions Affected the Human Colonization of the Aleutian Archipelago?* Presented at the 2013 Geologic Society of America meetings in Denver, Co.
- 2012 Hatfield, Virginia. Testing and Data Recovery along Tankersley Creek, Titus County, Texas. Presented at the 2012 Texas Archaeological Society meetings in Tyler, Tx.

Short Work History:

- | | |
|----------------------|--|
| Dec 2012 – present | Hatfield Archaeological Services, LLC., Lubbock, TX |
| Jul 2007 – Oct 2012 | Prewitt and Associates, Inc., Austin, TX (Ross Fields, president)
2105 Donley Drive, Suite 400, Austin, TX. 78758 (512-459-3349) |
| Aug 2006 – Jul 2007 | Effigy Archaeological Services, Inc., Kansas City, KS (Annie Moerbe, president)
10108 West 96- ST, Unit E, Overland Park, KS 66212 (913-620-3070) |
| Jan 2005 – May 2006 | TTU, Dept. of Sociology, Anthropology, & Social Work, Lubbock, TX (Tamra Walter). Holden Hall 158, Mail Stop 1012, Lubbock TX 79401 (806-281-4206) |
| Jun 2006 – Jul 2006 | University of Kansas, Central Aleutian Archaeological and Paleobiological Project (NSF, Dixie West), 1014 Houston St, Manhattan, KS 66052 (785-539-2308) |
| Sept 2004 – Feb 2005 | Effigy Archeological Services, Inc., Kansas City, KS (Annie Moerbe, president) |
| Aug 2004 – Sept 2004 | 4G Consulting, Inc. |
| Jun 2003 – Nov 2003 | Museum of the Aleutians, Unalaska, AK (Rick Knecht, director)
314 Salmon Way, Unalaska, Alaska 99685 |
| Oct 2002 – Nov 2002 | Prewitt and Associates, Inc., Austin, TX (Ross Fields, president) |
| Jun 2001 – Dec 2001 | Museum of the Aleutians, Unalaska, AK (Rick Knecht, director) |
| Jun 1998 – Sept 2001 | Western Aleutian Archaeological and Paleobiological Project (NSF, Dixie West) |
| Jun 1996 – Jul 1999 | Kansas University, Museum of Anthropology, Lawrence, KS |
| April 1996 | Geo-Marine, Inc., Plano, TX |
| Sept 1996 – Mar 1996 | Arizona State University, Archaeological Research Institute, Tempe, AZ |
| December 1995 | Desert Archaeology, Tucson, AZ |
| September 1995 | Dames and Moore, Inc., Phoenix, AZ |
| August 1995 | Cultural and Environmental Systems, Inc., |
| May – June 1995 | Geo-Marine, Inc., Plano, TX |

Aug 1994 – Mar 1995	Espey, Huston, & Assoc., Inc., Austin, TX
June – July 1994	Texas Archeological Research Laboratory, Austin, TX
June 1994	Prewitt and Associates, Inc., Austin, TX
Dec 1993 – May 1994	Espey, Huston, & Assoc., Inc., Austin, TX
June – Dec 1993	Texas Parks and Wildlife Department, Austin, TX

Detailed Work History

Teaching Experience:

- 2006 Visiting Professor, Spring, Anthropology 2301, Texas Tech University, Introduction to Archaeology
Visiting Professor, Spring, Anthropology, 3343, Texas Tech University, Maya Archaeology
Visiting Professor, Spring, Anthropology, 4341, Texas Tech Univ., Archeological Method & Techniques
Visiting Professor, Spring, Anthropology, 5341, Texas Tech University, Archeological Method & Theory
- 2005 Visiting Professor, Fall, Anthropology 2301, Texas Tech University, Introduction to Archaeology.
Visiting Professor, Fall, Anthropology 3340, Texas Tech University, Old World Archaeology.
Visiting Professor, Fall, Anthropology 3345, Texas Tech University, North American Archaeology.
Visiting Professor, Spring, Anthropology 2301, Texas Tech University, Introduction to Archaeology.
Visiting Professor, Spring, Anthropology 3347, Texas Tech University, Texas Prehistory.
- 2004 Guest Lecturer Spring, Anthropology 5341, Texas Tech University, Method and Theory in Archaeology.
- 2003 Guest Lecturer Spring, Anthropology 2301, Texas Tech University, Introduction to Archaeology.
- 2002 Graduate Teaching Assistant Anthropology 500/843: Kansas University, Evolutionary Archaeology.
- 2001 Guest Lecturer Fall - Anthropology 193/593 Kansas University, Laboratory Techniques in Archaeology.
- 2001 Teaching Assistant Summer- Anthropology 193, University of Alaska, Fairbanks, Archaeological Field School in the Eastern Aleutians, Museum of the Aleutians.
- 1998-2001 Graduate Teaching Assistant Anthropology 110/310, Kansas University, Introduction to Archaeology.
- 1998 Graduate Teaching Assistant Anthropology 104/304, Kansas University, Introduction to Physical Anthropology.
- 1997 Crew Chief/Graduate Teaching Assistant Texas Tech University, Archaeological Field School at the San Saba Mission, Menard, Texas. 1997.

Field / Lab / Office:

- 2014
- Lithic analysis of artifacts from the Islands of the Four Mountains, Alaska. August – ongoing.
 - Upton County, Texas File review for proposed cell tower location in Upton County, Texas for AquAeTer, Inc, conducted by Hatfield Archaeological Services, LLC.
 - Islands of the Four Mountains, Alaska Co-PI on NSF grant “Geological Hazards, Climate Change, and Human/Ecosystems Resilience in the Islands of the Four Mountains. Excavations on Chuginadak and Carlisle Islands, July 28-Aug 17, 2014. Biodiversity Institute, University of Kansas, Lawrence, KS.
 - Mason County, Texas. Archaeological excavations of a 2000-year-old campsite with bison and deer remains, conducted by Prewitt and Associates, Inc. May-Jul 2014, Sept 2014.
 - Deaf Smith County, Texas. Survey of two cell tower locations (Progressive-Messer and Walnut-Mickler) in Hereford, TX for Antigua Archaeology, LLC, conducted by Hatfield Archaeological Services, LLC. July 2014.
 - Maverick County, Texas. Survey of mine for Prewitt and Associates, Inc. April-May 2014.
 - Parmer County, Texas. WT Services Lariat proposed cell tower location. April 2014.
 - Unalaska, Alaska. Setting up supplies and other logistics for the Islands of Four Mountains research, “Collaborative Research: Geological Hazards, Climate Change, and Human/Ecosystems Resilience in the Islands of the Four Mountains, Alaska.” Directed by Dixie West and Virginia Hatfield, March 2014.
- 2013
- Collingsworth County, Texas. Archaeological survey of proposed house construction on the Killian Property and report production, conducted by Hatfield Archaeological Services, LLC
 - Hidalgo and Cameron Counties, Texas. Archaeological Survey of the Brownsville Public Utilities Board gas-line and waterline, conducted for Atkins North America, Inc., Austin, Texas.
 - Floyd and Motley Counties, Texas. Archaeological Survey of Cedar Cap Wind Farm, conducted for Atkins North America, Inc., Austin, Texas and report production. August-September, 2013
 - University of Alaska, Anchorage, Alaska. Adviser, teaching lithic analysis to MA graduate student, Roberta Gordaoff.

- Moore County, Texas. Archeological Survey of the Valero McKee Refinery and report production for the archeological survey, with and for Atkins, Austin office, Nesta Anderson, Principal Investigator.
 - Lubbock County, Texas. Archeological survey of the proposed Bailey County Well Field Supply Pipeline and report production for the City of Lubbock. Ross Fields, Principal Investigator.
 - Site descriptions for the Overland Pass Project data recovery report, for R. Christopher Goodwin and Associates, Inc., Lawrence, Kansas. Janice McLean, Project Manager.
- 2012
- Review of lithic refitting for the Overland Pass Project data recovery report, for R. Christopher Goodwin and Associates, Inc., Lawrence, Kansas. Janice McLean, Project Manager.
 - Lamar County, Texas. Assisted in excavations of part of the Sanders site, for SWCA, for the Keystone pipeline. Sept-Oct 2012.
 - Titus County, Texas. Monitoring stripping excavations at 41TT906 in Titus County, Texas, July 2012
 - Waco, Texas. Trench excavations at the location of the proposed new Baylor University football stadium in Waco, Texas and report production. May 2012.
 - Rusk County, Texas. An Intensive Archeological and Historical Resources Survey of 4800 Acres in Area W of the Sabine Mine's South Hallsville No. 1 Mine, Rusk County, Texas. March-May, 2012.
- 2010
- Mount Pleasant, Texas. *Project Archeologist, Field Director.* Data Recovery Excavations of three sites along Tankersley Creek for the US Highway 271 Mt Pleasant relief route. January-June 2010. Artifact analysis and write up of testing and data recovery findings. June, 2010-February 2012. Prewitt and Associates, Inc.
- 2009
- Marshall, Texas. *Project Archeologist.* Test Excavations of three sites within the Sabine mine. November-December, 2009. Prewitt and Associates, Inc.
 - Fort Hood, Texas. *Project Archeologist.* Excavations of three sites with burned rock middens within Fort Hood and partial report production. May-July, 2009. Prewitt and Associates, Inc.
 - Lubbock, Texas *Project Archeologist.* Survey of two possible locations for the location of an animal shelter within the city of Lubbock, Texas. Prewitt and Associates, Inc.
 - Lubbock, Lamb, and Garza Counties, Texas. *Project Archeologist.* Survey of a water pipeline from Lake Alan Henry to the city of Lubbock and report writing. February-March, 2009. Prewitt and Associates, Inc.
 - Brazoria, Texas *Project Archeologist.* Excavations at the Pioneer Cemetery. January 2009. Prewitt and Associates, Inc.
- 2008
- Temple, Texas. *Project Archeologist.* Survey in front of three cemeteries in McLennan and Bell Counties, Texas, along IH-35 for Texas Department of Transportation, November and December 2008. Prewitt and Associates, Inc.
 - Lorena, Texas. *Project Archeologist.* Survey of a waste treatment pipeline in Lorena, Texas. September and October 2008. Prewitt and Associates, Inc.
 - Mother Neff State Park *Project Archeologist.* Test excavations at 41CV286 for a bridge replacement in Mother Neff State Park, Coryell County, Texas. August-September 2008, Prewitt and Associates, Inc.
 - Mt Pleasant, Texas *Field Director, Project Archeologist.* Test Excavations, analysis and report writing of sites along Tankersley Creek for the US Highway 271 Mt Pleasant relief route. September 2007- July 2008. Prewitt and Associates, Inc.
- 2007
- Austin, Texas. *Project Archeologist.* Ceramic analysis of the "Macky Collection" from 41HS15, a Caddo site. August 2007. Prewitt and Associates, Inc.
 - Fort Hood, Texas. *Project Archeologist.* Test Excavations of a burned rock midden site on Fort Hood, Texas. August 2007, Prewitt and Associates, Inc.
 - Marshall, Texas. *Project Archeologist.* Data Recovery Excavations on the Sabine Mine near Marshal Texas. July, Prewitt and Associates, Inc.
 - Cleveland, Texas. *Project Archeologist.* Survey of Area 2 along the proposed Cleveland south loop, Liberty County, Texas. June 2007, Prewitt and Associates, Inc.
 - Lubbock, Texas. *Lithic Analyst.* Lithic analysis of artifacts from the Float Camp (23RI481) and Stone Mill Spring (23PU183) sites in the Mark Twain National Forest. April and May, 2007. Effigy Archeological Services, Inc.
 - Castro, Co., Texas. *Principal Investigator.* Phase I archeological survey of approximately 6,650 feet of proposed pipeline and water supply well in Nazareth, Castro County, Texas. April 2007. Effigy Archeological Services, Inc.
 - Andrew Co., Kansas. *Principal Investigator.* Phase I survey of Proposed Niagra Creek Cell Tower, Verizon Tower. March 2007. Effigy Archeological Services, Inc.

- Buchanan Co., Kansas. *Principal Investigator*. Phase I survey of proposed construction of the Tuscany Village Commercial Center in St. Joseph, Buchanan County, Missouri, March, 2007. Effigy Archeological Services, Inc.
- 2006
- Jackson Co., Missouri. *Project Archaeologist*. Testing of a prehistoric and historic site, 23JA1644, in Jackson County, Missouri for the Burlington North Santa Fe Railroad. December 2006. Effigy Archeological services, Inc.
 - Athens, Scioto, and Lawrence Co., Ohio. *Principal Investigator*. Survey of 1400 acres in the Athens and Ironton Ranger Districts of Wayne National Forest, Ohio. November 2006. Effigy Archeological services, Inc.
 - Wyandotte, Olathe and Jefferson Co. Kansas. *Principal Investigator*. Survey of four proposed cell tower locations in Wyandotte, Olathe and Jefferson Counties, Kansas. October 2006. Effigy Archeological services, Inc.
 - Junction City, Kansas *Principal Investigator*. Survey of 192 acres for the proposed construction of single family housing as an expansion of Junction City, Kansas. September 2006. Effigy Archeological services, Inc.
 - Lawrence, Kansas. *Principal Investigator*. Survey of 75 acres for the proposed construction of a sewer pipeline and pump station in West Lawrence, Kansas. September 2006, Effigy Archeological services, Inc.
 - Lubbock, Texas. *Lithic Analyst*. Analysis of the chipped stone debitage and tools and ground stone tools from the Zeto Point site, ADK011 for Dixie West, University of Kansas. July –August 2006.
 - Adak, Alaska. *Field Director*: Excavation of the Zeto Point site (ADK-011), a multicomponent site in the central Aleutians. June-July, 2006. Dixie West, Principal Investigator.
- 2004
- Atchison Co., Kansas. *Principal Investigator*. Survey, analysis, and write up of archaeological work at Atchison Strategic Storage Facility, with Effigy Archaeological Services, Inc., Kansas City. October, 2004 to February 2005.
 - Lubbock, Texas. *Lithic Analyst*. Identification of projectile point types, tool types, and technological stages of chipped stone reduction in assemblages from 23CL227 and 23OZ115, Missouri for Effigy Archaeological Services, Inc. September to December 2004.
 - Lubbock, Texas. *Lithic Analyst*. Identification of projectile point types and technological stages of reduction from assemblages from Guadalupe Mountain National Park for 4G Consulting, Holly Raab, Principal Investigator. September 2004.
 - Culberson Co., Texas. *Crew Member*. Survey of Guadalupe Mountain National Park, August, 2004 with 4G Consulting, Holly Raab and James Rust, directors.
- 2003
- Unalaska Island, Alaska. *Lithic Analyst*. Analysis of debitage from UNL-050, the Amaknak Bridge site. September to November 2003, for the Museum of the Aleutians, Dr. Rick Knecht and Dr. Rick Davis, Principal investigators.
 - Unalaska Island, Alaska. *Crew Chief*. Mitigation of UNL-050, Amaknak Bridge Site. A 3000-year-old Unangan village site on Amaknak Island. June to September 2003. Museum of the Aleutians, Dr. Rick Knecht and Dr. Rick Davis, Principal investigators.
- 2002
- McLennan Co., Texas. *Crew Member*. Mitigation of Archaic and Late Prehistoric site, 41ML162. November to December 2002, Prewitt and Associates, Inc., Gemma Mehalchick, supervisor.
 - Milam Co., Texas. *Crew Member*: Mitigation of Late Prehistoric site, 41MM341. October 2002. Prewitt and Associates, Inc., Jenny McWilliams and Eloise Gadus supervisors.
 - Lawrence, Kansas. *Research Assistant*. Assisted research on 1966-1970 excavations of Lepinski Vir, a Mesolithic and Neolithic site in Serbia. University of Kansas, Ivana Radovanavic, director.
 - Menard Co. Texas. *Volunteer*. Excavation at San Saba Presidio, a Spanish fort near Menard, Texas. Dr. Grant Hall, Texas Tech University, principal investigator.
 - Stanton Co., Kansas. *Volunteer*. Excavation at the Winger site (14ST401), a 9000-year-old bison kill site, Dr. Jack Hofman, University of Kansas, principal investigator.
- 2001
- Unalaska Island, Alaska. *Lab Director*. Directing the processing, cataloging, and preliminary analysis of archaeological materials recovered from the Amaknak Spit site, UNL-055, Amaknak Island, in the eastern Aleutians, Alaska. September to December 2001, Museum of the Aleutians, Unalaska. Dr Rick Knecht, director.
 - Buldir Island, Alaska. *Crew Member*. Western Aleutian Archaeological and Paleobiological Project (WAAPP) excavations on Buldir Island in the western Aleutians. August to September 2001. Dr. Dixie West and Debbie Corbett, directors.

- Amaknak Island, Alaska. *Crew Member*. Excavations and mapping of the Amaknak Spit site (UNL-055), in the eastern Aleutians, Alaska. Museum of the Aleutians. July 2001. Dr Rick Knecht, director.
 - Unalaska and Hog Islands, Alaska. *Field Assistant*. Excavations at the Summer Bay site (UNL-050) on Unalaska Island and the Oiled-Blade site (UNL-311) on Hog Island, in the eastern Aleutians, for the University of Alaska, Fairbanks, Aleutian-Pribilof Island campus archaeological field school. June 2001. Rick Knecht, director.
 - Lawrence, Kansas. *Graduate Research Assistant*: Western Aleutian Archaeological and Paleobiological Project (WAAPP). Analysis of lithic material from the Near Islands of the Aleutian Island chain of Alaska, and preparation of multimedia presentations of Western Aleutian Archaeological and Paleobiological Project research and field work, January 2001 to May 2002. Dixie West, supervisor.
- 2000
- Harper Co., Oklahoma. *Volunteer*: Excavations at the Waugh site, a Folsom camp and bison kill site in western Oklahoma. September 2000. J.L. Hofman director.
 - Aleutian Islands, Alaska. *Crew Member*. WAAPP survey and excavation in the Aleutian Islands. Mapping and testing a cave occupation and burial site on Attu Island and survey of Aleut cave sites on Kiska, Kanaga, Tanaga, and Whip Islands. July 2000. Dixie West, principal investigator.
- 1999
- Phillips Co., Kansas. *Crew Chief*. Survey and shovel testing of sections of Webster Reservoir in Rook County and Kirwin Reservoir. June and July 1999, Kansas University, Museum of Anthropology. Brad Logan, principal investigator.
 - Shemya and Adak Island, Alaska. *Crew Member*: WAAPP Survey and excavation on the islands of Shemya and Adak, in the Aleutian Islands, May and June 1999, Dixie West, Debbie Corbett, and Christine Lefèvre, principal investigators.
- 1998
- Solutré, France. *Crew Member*. Excavation, mapping and casting of the Gravettian horse kill component and Aurignacian occupation at Solutré, a multicomponent site in France. July and August 1998. Anta Montet-White and Jack Hofman, principal investigators.
 - Attu Island, Alaska. *Archaeologist and Photographer*. Survey and excavation on the island of Attu, in the western Aleutian Islands, Alaska. May to June 1998. Dixie West, Debbie Corbett, and Christine Lefèvre, principal investigators.
- 1997
- Lawrence, Kansas. *Graduate Research Assistant*. Cataloguing Kansas City Hopewell collections including lithic, ceramic, and faunal artifacts. September to December 1997. Mary Adair, supervisor.
 - Colfax Co., New Mexico. *Volunteer*. Excavation and mapping of the Folsom Site, 29CX1. July 1997. David Meltzer, principal Investigator.
 - Scott Co., Kansas. *Volunteer*. Excavation at the Norton site, a Paleoindian bison bone bed. May 1997. Jack Hofman, director.
 - Jewell Co., Kansas. *Crew Member*. Survey and shovel testing of sections of Lovewell State Park in Jewell County, Kansas. May 1997. Kansas University, Museum of Anthropology. Brad Logan, Principal investigator.
- 1996
- Lawrence, Kansas. *Research Assistant*. Sorting and cataloguing artifacts and analysis and write up of chipped stone tools from the "DB" site, 14LV1071, Fort Leavenworth, KS. September 1996 to April 1997. Kansas University, Museum of Anthropology. Brad Logan, Supervisor.
 - Lawrence, Kansas. *Lab Technician*. Sorting flotation samples from sites in Nebraska for the Museum of Anthropology, KU. August 1996. Kansas University, Mary Adair, supervisor.
 - Leavenworth Co., Kansas. *Crew Member*. Mitigation of a multicomponent site, 14LV1071, located on the Fort Leavenworth military base. June to August 1996. Kansas University, Museum of Anthropology. Brad Logan, principal investigator.
 - Bowie Co., Texas. *Crew Member*. Test excavations of two Caddo village sites. April 1996. Geomarine, Floyd Largent and Deborah Beene, project directors.
- 1995
- Maricopa Co., Arizona. *Crew Chief*. Mitigation of the Phoenix Indian School, which included supervising crew excavation of units and features, monitoring heavy equipment excavation, database entry, and write up of feature descriptions.
